Message from the Principal

**Kindergarten Orientation** We held our very first Kindergarten Orientation parent evening for our new Kindergarteners this week and we will be hosting the 2015 class this coming Thursday. I am sure we will have a few nervous parents and excited children. If you see some new faces around the school please ensure you give them a big welcome.

**RUN Wollongong**
This Sunday! Tessa from 5L has been a wonderful ambassador for our school, drumming up runners and getting the word out there. We do not have as many runners as we would like, although this is only our first year. I can’t wait to see everyone there on Sunday. I will be walking with a pram this year so make sure you wave as you run past me!

**Op Shop Ball**
The P&C Op Shop Ball is on Saturday 8th November here in the school hall. We have a live band featuring our very own Kindergarten parents, Mr and Mrs D’Amico, and I cannot wait to dress up and enjoy the night with our community. Please come into the front office to purchase your tickets.

**2015 structure**
The time is fast approaching when we are looking at the structure of our classes for 2015. At the next P&C meeting (29/11) I will be discussing future plans and looking for community feedback. If you have suggestions or are interested in discussing this topic, please come to the next P&C meeting. In the coming weeks, I am encouraging families to fill out a classiﬁng preference form, which will be available at the front office in week 5. Although I cannot promise to carry out every request, I can certainly try to cater for your child’s needs as much as possible. This form will not include preferences for teachers, rather give parents the opportunity to express particular needs for their children (eg twins not in the same class, etc). The open discussion at the P&C will give parents the opportunity to provide feedback from previous years and discuss possible options. It is important to note that we are bound by parameters such as class-size restrictions. To ensure this is an effective process I ask that comments and opinions be phrased positively so that all of our community can have their voice heard.

Regards  
Skye Hayward

DO NOT MISS OUT!

Fresh Taste CANTEEN HELP needed!

To ensure we are moving towards a Fresh Taste Canteen we are required to make some changes to our current menu. From the survey results there was an overwhelming response to move towards a healthier menu, the hardest part of that is working out where to start and who can help. Many parents have indicated they can help in bits and pieces, which is wonderful, if you can spare, even a day a term, your help would be greatly appreciated.

At the recent meeting it was decided to begin with removing all lollies from the canteen. We also need to have a closer look into the snacks that are available. Our students will have a say in what "approved" snacks they wish to keep in the canteen through an inquiry project where they will look at the nutritional value of all snacks and decide which they would like to keep.

We also are in need of APPLIANCES! To prepare, store and cook fresh food we need some help in acquiring appliances, containers, cookware etc. If you can help out in any way please let the school know.

Watch this space for more changes and information regarding the new look canteen.
